

The Worst Jobs Fair

Step #1: Visit all of the job stations throughout the classroom. Take notes about the job, as well as its advantages and disadvantages.

Step #2: Based on the information you've gathered, rank the jobs with numbers 1-5: best = 1, worst = 5

Step #3: Complete the questions by explaining which jobs you ranked the best/worst and why.

<u>Job</u>	<u>Advantages (+)</u>	<u>Disadvantages (-)</u>	<u>Ranking</u>

<u>Job</u>	<u>Advantages (+)</u>	<u>Disadvantages (-)</u>	<u>Ranking</u>

Answer the following questions in full sentences. Make sure to support your answer with details that you have learned.

1. Which job do you think would be the worst? Why?

2. Which job do you think would be the best? Why?
