

Canadian Stereotype/Identity Assignment: Reflection Questions

CM4: I can reflect on my own learning

PAR3: I can identify my strengths and abilities

Instructions:

*After you have added your project to your "Collective Identity" section of your ePortfolio, add "Text" underneath your project. Copy the following questions, and type your answers, in **full sentences**.*

What is something you think you did well in completing this project?

What is something that you think you could improve on, or do differently next time?

What are some of the things that you think most Canadians value?

Do you think we have a collective identity, as Canadians today? Explain why/why not.
