TEACHERS BE LIKE

A human skeleton is shown from the waist up, sitting at a desk. The skeleton's right hand is raised to its face, with fingers spread, in a gesture that suggests deep thought, nervousness, or perhaps a desire to be quiet. The skeleton's left arm is resting on the desk. The background is a plain, light-colored wall.

A close-up, high-contrast image of Morpheus from the movie The Matrix. He is bald, has a serious expression, and is wearing dark sunglasses. The reflection in the sunglasses shows a scene from the movie where he is pointing a gun at Neo. The background is a blurred greenish-grey.
