

What do all of these have in common?

What is technology?

What is technology?

The **use of science** in industry, engineering, etc., to **invent useful things** or to solve problems

Your Task

1. Think (write down ideas)
2. Pair (share with partner)
3. Share (discuss as a class)

How are we (ourselves and society)
dependent on technology?

Think about the ways that you use technology each day...
