

## **“Love the Way You Lie” - Eminem**

[Hook]

Just going to stand there and watch me burn  
That's all right because I like the way it hurts  
Just going to stand there and hear me cry?  
Well that's all right because I love the way you lie

[Verse 1]

I can't tell you what it really is  
I can only tell you what it feels like  
And right now it's a steel knife in my windpipe  
I can't breathe but I still fight while I can fight  
As long as the wrong feels right it's like I'm in flight  
High off of love, drunk from my hate  
It's like I'm huffing paint and I love her the more I suffer  
I suffocate and right before I'm about to drown  
She resuscitates me, she fucking hates me and I love it  
“Wait, where you going?” “I'm leaving you” “No you ain't”  
Come back, we're running right back here we go again  
It's so insane, cause when it's going good it's going great  
I'm Superman with the wind at his back, she's Lois Lane  
But when it's bad it's awful  
I feel so ashamed, I snap, “who's that dude?”  
I don't even know his name  
I laid hands on her, I'll never stoop so low again  
I guess I don't know my own strength

[Hook]

[Verse 2]

You ever love somebody so much  
You can barely breathe when you're with them?  
You meet, and neither one of you even know what hit them  
Got that warm fuzzy feeling, yeah them chills used to get them  
Now you're getting fucking sick of looking at them?  
You swore you'd never hit them, never do nothing to hurt them  
Now you're in each other's face  
Spewing venom in your words when you spit them  
You push, pull each other's hair, scratch, claw, bit them  
Throw them down, pin them

So lost in the moments when you're in them  
It's the rage that took over it controls you both  
So they say it's best to go your separate ways  
Guess that they don't know you cause today, that was yesterday  
Yesterday is over it's a different day  
Sound like broken records playing over  
But you promised her next time you'd show restraint  
You don't get another chance, life is no Nintendo game  
But you lied again  
Now you get to watch her leave out the window  
Guess that's why they call it window pain

[Hook]

[Verse 3]

Now I know we said things, did things, that we didn't mean  
Guess that's why they call it window pain  
But your temper's just as bad as mine is, you're the same as me  
When it comes to love you're just as blinded  
Baby please come back, it wasn't you, baby it was me  
Maybe our relationship isn't as crazy as it seems  
Maybe that's what happens when a tornado meets a volcano  
All I know is I love you too much to walk away though  
Come inside, pick up your bags off the sidewalk  
Don't you hear sincerity in my voice when I talk?  
Told you this is my fault, look me in the eyeball  
Next time I'm pissed I'll aim my fist at the drywall  
Next time? There won't be no next time  
I apologize even though I know it's lies  
I'm tired of the games, I just want her back  
I know I'm a liar, if she ever tries to fucking leave again  
I'mma tie her to the bed and set this house on fire
