Nonviolent Protest

Non-violence is the greatest force at the disposal of mankind. It is mightier than the mightiest weapon of destruction devised by the ingenuity of man.

— Mahatma Gandhi

"[Nonviolence] is directed against forces of evil rather than against persons who happen to be doing the evil. It is evil that the nonviolent resister seeks to defeat, not the persons victimized by evil."

— Martin Luther King Jr.

- 
- *I am for violence if non-violence means we continue postponing a solution to the American black man's problem just to avoid violence.*

— Malcolm X

- *There are many people who feel that it is useless and futile to continue talking about peace and non-violence against a government whose only reply is savage attacks on an unarmed and defenceless people.*

— Nelson Mandela
