

Social Responsibility Reflection Journal

Instructions: Respond (in FULL SENTENCES) to the following prompts after completing your actions/activities that demonstrate the following learning outcomes:

Social Responsibility

- ❖ I can initiate or contribute to positive, sustainable change for others and the environment.
- ❖ I can find internal motivation and act on opportunities for self-growth.

Brief description of what I did... (dates, time spent, etc.)

How it has benefited the community/others/the environment...

The actions/activities I created/participated in made me feel...

What I have learned...

Will you continue to do this or something similar?
