

## THE VIKINGS: SUMMATIVE ASSIGNMENT

Once you have completed the [Vikings WebQuest](#), your task is to show what you have learned about the Vikings in some way. You can choose to focus on one aspect of Viking life, or on several— it is up to you!

### Ideas for what you could create:

- **A Postcard** Imagine that you have traveled back in time and are spending time living with the Vikings. Describe what life would be like.
- **A Skit** Team up with some of your classmates (no more than 4) and create a skit which shows us about the life of the Vikings.
- **Journal Entry** Write a journal entry detailing life with the Vikings.
- **Comic Strip** Create a comic strip that shows some aspect of Viking life.
- **Art/drawing** Create a piece of artwork/drawing that demonstrates your understanding of Vikings.
- **News Article** Write a news/magazine article about the Vikings. (Could be from an Anglo-Saxon point of view- describing what a Viking raid was like from their perspective!)
- **Poem** Write a poem that has to do with Viking life.
- **Time Travel Brochure/Ad** Create a brochure or advertisement for historical time travel— back to the age of the Vikings!
- **Something else!** If you have another great creative idea just let me know 😊

*You will be sharing your creation with our class, either in a performance or gallery walk.*

<u>Criteria</u>						
Product shows understanding of content	1	2	3	4	5	(x2= 10 marks)
Product is organized/easily understood	1	2	3	4	5	
Product shows creativity and thought	1	2	3	4	5
